

Making a difference in your community and world

In 2018, the Del-Mar-Va Council scouting family contributed over 65,000 hours of volunteer service to benefit local, national and international projects. We know scouts are actively making the world a better place each and everyday.

“The highest of distinctions is service
to others.”

Tell Us About Your Service Project

We know that Scouts throughout
the Del-Mar-Va Council are
answering the call to service. Tell
the story of how your den, pack,
patrol, troop, team, crew, or ship is
contributing to this effort.

A SCOUT IS HELPFUL...

What is a Good Turn?

As stated in the *Boy Scout Handbook*, some Good Turns are big—saving a life, helping out after

floods or other disasters, recycling community trash, or working with others on conservation projects. But Good Turns are often small, thoughtful acts—helping a child cross a busy street, going to the store for an elderly neighbor, cutting back brush that is blocking a sign, doing something special for a brother or sister, or welcoming a new student to your school. Youth and volunteers are looking for ways to serve their communities. At the same time, service organizations need dedicated volunteer help. By working together, we can improve our young people, our communities, and the nation.

Planning a Service Project

The Scout Oath includes the phrase “to help other people at all times, which reminds us to always be of service to others. Begin planning your project by discussing various service ideas with your scouts. Adult leaders, your chartered organization, and the local government are also good resources for ideas. Projects will be more meaningful and fun if they are well-planned.

A service project is a special Good Turn that puts Scout spirit into action.
