

Del-Mar-Va Council Beaver Days 2020

Henson Scout Reservation

May 9, 2020

Rodney Scout Reservation

May 16, 2020

8:00 am to 3:30 pm – lunch provided – wear work clothes and gloves

You are cordially invited to come out to camp on one of the above dates to help prepare the camps for the upcoming summer season. Join your fellow adult volunteers in painting, preparing campsites, roofing, and other projects. This work needs to be done to ensure a great experience for the Scouts and Scouters who will be in camp for the 2020 summer season.

The day starts at 8AM at the shop with coffee and donuts, projects will be chosen and off to work. Lunch will be provided at noon in the dining hall.

To sign up go to the Del-Mar-Va Council website, click on the calendar and the date you have chosen, and sign up. This will ensure that we have enough projects set up, and also make sure we have enough for lunch!

Projects at Henson: misc electrical, painting, staining, various carpentry items, and other projects as needed.

Projects at Rodney: Repairing picnic tables, repair screening throughout camp, miscellaneous electrical projects, and other projects as needed.

Thanks in advance and hope to see you at camp!
