## DEL-MAR-VA COUNCIL

March 17, 2020

Del-Mar-Va Council is committed to keeping our Scouting families safe and modeling Citizenship in our Community. To that end, **our Council offices and Scout Shops will be closed to the public effective now until further notice.** Our offices may be shut, but we are not closed for business! All staff will be working remotely, and our phones and email will be monitored daily. If you need assistance from your District Executive or other team member, please don't hesitate to reach out. Our [staff directory is here](#).

The Centers for Disease Control (CDC) recently recommended canceling all gatherings of 10 or more people. As that maximum will apply to most Scouting units, we are strongly recommending that in-person unit activities be suspended. We are investigating resources to facilitate distance learning and collaboration. The ultimate decision lies with your unit committee, but we encourage you to model good citizenship and public health in your decisions.

Life Scouts and others working on awards with an age or time deadline should contact their District Advancement Chair or District Executive with questions. Many requirements for these awards can be completed virtually. We are currently working with BSA to secure guidance on extensions and other challenges caused by this unprecedented public health event. Watch our [Facebook](#) page and [website](#) for updates.

For all other issues, you are encouraged to call us at 302-622.3300 or email [info@dmvc.org](mailto:info@dmvc.org)

As we work together to get through this challenge, it is important to remember the values of the Scout Oath and Law. Let's do all we can to support each other and help those who need our assistance most.
