A Message from the Scout Executive

Aloha Everyone,

As we transition into a post Covid world let us not forget the many lessons we have learned. We have new meaning to a Scout is Clean. We are safer and we practice better hygiene. We are resilient. We are one big Scouting family. Believe it or not, we can grow through a pandemic. While most units struggled, there were more than a handful that actually grew. Those units that grew remained active through the pandemic. They found ways to meet in a safe way, either virtually or in person. If they could do it we can do it.

Families are looking for something wholesome and fun for their children to participate in. Please share every activity your unit does on social media, printed media and word of mouth. How is your "Summer of Service" going? If you haven't started yet it's not too late. Just go to <https://www.scouting.org/summerofservice/> and get started. We can no longer be invisible as an organization. Now is the time to invite everyone to join. Every member is a recruiter. Scouting is just more fun with more friends. We can change the world, one scout at a time with the values of the Scout Oath and Law. Lets do this!

Scout Me In,
