Project Sales/Gifts in Kind

Many people think of a business annual budget in terms of dollars for broad categories such as employee salaries or paying the monthly bills - but for a Boy Scout council, it is much more.

Instead, think of the council's annual budget as the paper and ink needed for a flier distributed at a school to educate boys and parents about the fun and adventure of Scouting. It's the hay needed to feed a horse that provides an opportunity for a Scout to learn horsemanship. It's the labor and materials for renovating a building at Rodney or Henson Scout Reservations.

Project sales and gifts in kind can be an integral part of helping the Del-Mar-Va Council deliver quality programs and services to our community.

- Project sales help-
- Identify special sources of income
 - Interest new contributors in specific line items of the budget
 - Upgrade existing contributions to new levels of giving

You can support the Del-Mar-Va Council in providing vital services and programs to Scouts, volunteer leaders and chartered organizations through your annual Friends of Scouting gift by supporting a specific budget or donating a needed item.

Listed below are three types of project sales:

1. Gifts in kind: Rather than a cash gift, specific budget items can be provided such as office supplies (paper, computer supplies, envelopes, etc.) food items for camp (chicken, frozen foods, etc.) and other materials for camp (lumber, paint etc.). Items contributed are assigned their fair market value. Gift in kind items are those that are needed by the council during the current budget year.

2. Donated Services: Rather than cash gift, a needed service is provided, such as printing, vehicle maintenance, etc. Services are those that are needed by the council during the current budget year.

3. Cash Gifts: Cash that is given to support a specific line item in the current year's budget. A donor may choose a budget item of particular interest to designate the funds such as Camperships.
